RE: Jericho Rise Wind Farm  
Application for Wind Energy Permits for Wind Energy Conversion Systems (WECS)

Dear Ms. Lemay:

Jericho Rise Wind Farm LLC (Applicant), formerly Burke Wind Power LLC, respectfully submits six copies of the enclosed application for a Wind Energy Permit for the proposed Jericho Rise Wind Farm (Project). This application is in accordance with the requirements of Article II, §10 of the Wind Energy Facilities Law (Local Law No. 7 of 2006) of the Town of Chateaugay, New York. The information required by the Local Law is presented in Section 1 of the enclosed application in the order (and according to the numbering) listed in Article II, §10 of the Local Law. The applicant will adhere to all Standards for WECS and required safety measures as outlined in Article II, §12 and §13, respectively.

Pursuant to Article V, § 28 of the Local Law, Applicant requests certain waivers from 600 foot site boundary line setback requirements of Article II § 15. Details of these waiver requests are included in Section 2 of the enclosed application.

The application fee of \$14,700 (\$200/MW) was previously submitted to the town on March 5, 2007. A separate waiver fee of \$3,000 has been sent under separate cover. In addition, a check for \$50,000 for the escrow account will be hand delivered during the week of June 25<sup>th</sup>.

Sincerely,

Patrick Doyle  
Director of Development  
Horizon Wind Energy
